Dear Bruce:

This letter is to confirm our recent telephone conversation advising you that your name has been submitted to receive the "LIFE TIME HONOURARY MEMBERSHIP" of the Arts Club. It was interesting to note that you remain as the youngest person ever to join the Arts Club, where you served as a member of the Council.

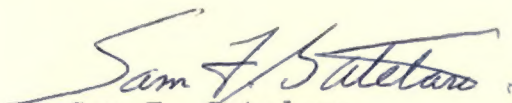

With the 350th Anniversary of the City of Montreal next year, we plan to honour you, as well as other distinguished members of the Arts Club, who have made a significant contribution to the Arts in Canada.

These presentations are planned for the **President's Dinner** evening which is held in mid May of each year, and we trust you will be able to attend.

We wish you every success as Interim President of the Royal Canadian Academy.

I look forward to hearing from you.

Kindest regards,

Sam F. Gatelaro
President
